

## Academic Credit Option Contract 2013-2014 School Year

I am interested in earning academic credit within the \_\_\_\_\_ program. I understand that I am responsible for completing the work assigned to me by the certified ELA, math, or science instructor, and that I must pass my career-technical program with no more than five (5) absences in a semester before any academic credit is recommended. I understand that I cannot earn academic credit if I miss academic instruction due to co-op. I understand that this academic credit can be used to fulfill an academic credit at my home school or used as an elective credit. **Note: All credit is granted by the local school district. Failure to participate fully in local district and/or CTC classes may result in loss of credit and/or credit recommendation.**

Based on Michigan High School Graduation Requirements and the High School Common Core State Standards and using the chart provided by Mary Smith, Curriculum Supervisor at CTC,
